"*The Answers: Who You Are and Why You're Here* prepares each of us as we approach the great shift that the Mayans predicted in the year 2012. This book has a beautiful way of combining spiritual ritual processes such as shamanism and Native American spiritual philosophy with the author's own education to help individuals prepare for this time of awakening. IlgaAnn Bunjer is a true teacher and has opened my heart to the amazing way that science truly is a bridge to spirituality."
